### Rationale for reduction in fee proposed by Institute

Based on the methodology and norms prescribed by AICTE and Haryana Government, we have recomputed the TF at INR 69,550 and thereby a Total Fee (incl. 15% of TF as DF) of INR 80,000 per student. (represented by [C] in the above table)

Variance between Revised fee proposed by the Institute and Recomputed Fee of INR 5,000 per student (reduction of 5.88%) was due to:

- Institute had spent more on advertisement, while as per AFRC meeting held on 11-09-2025, it was notified that advertisement spend cannot exceed INR 750 per student.

### NOTES:

\*As per the decision of State Admission and Fee Committee in its meeting held on 11-09-2025 that condition No. 7 of the terms & conditions allows the institution to earn up to 5% of receipts through extra professional and academic activities such as short terms and long terms courses, training, consultancies, R & D projects, placements activities etc. The fund so generated shall be utilized in establishing a corpus fund to take care of the staff development, student welfare, infrastructural development and any un-foreseen expenses etc. Separate account shall be maintained for receipts, expenditure and transfer of surplus to corpus fund. Guideline No. 2 pertaining to transport says that it has to be as per actual. However not beyond Govt. fare per km. + up to 50%. Guideline No. 8 says that additional charges for items like generator, internet (Wi-Fi), Book Bank (minimum 3 books) EDP etc. may be taken only if these facilities are provided. However, it should not be more than 5% of the sum of total of the tuition fee+ development fund and proportionately less as decided by State Fee Committee.

\*As per the decision taken on 11-09-2025, genuine legal expenses incurred by institutions in student-related matters may be considered part of operational costs, subject to documentary proof and justification.

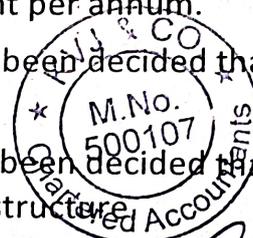

\*As per the decision taken on 11-09-2025, the cap on non-teaching staff expenses remains at 35% for technical and 45% for pharmacy institutions.

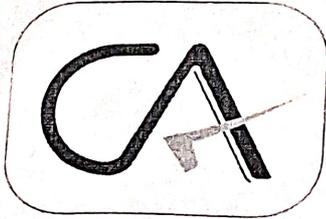

\*As per the decision taken on 11-09-2025, fee computation should be based on full sanctioned intake rather than actual admissions or 80% capacity.

\*As per the decision taken in the meeting held on 11-09-2025 it has been decided that advertisement expenses shall not be more than Rs. 750/- per student per annum.

\*As per the decision taken in the meeting held on 11-09-2025 it has been decided that depreciation will not be considered as operational cost.

\*As per the decision taken in the meeting held on 11-09-2025 it has been decided that the interest on loan cannot be taken into consideration for determining the fee structure.
